BARRY COUNTY BOY RECEIVES HIGH HONOR

Elden Dummit, son of Mr. and Mrs. F. R. Dummit, who is studying law in Lexington, Ky., writes that he won first honors in a great debate held at Georgetown, Ky. Mr. Dummit graduated from Monett high school in 1915. His friends and relatives certainly wish him well in the great effort he is putting forth.

The following clipping is from a leading Lexington paper:

"Championship of the Intercollegiate Debating Association of the state was won by the two Kentucky teams Thursday night by winning both debates, one with Transylvania and one with Georgetown.

"The question was, 'Resolved that the Monroe Doctrine should be abandoned,' and Kentucky's team for the affirmative was composed of E. Dummit and L. F. Bischoff, who debated H. Gudgel and C. Stevenson, of Transylvania in chapel. The negative team was composed of E. E. Rice and Ed Dabney, who debated Squire Ogden and I. C. Powers, of Georgetown, at Georgetown.

"Kentucky was very fortunate in the selection of the debaters for this year's teams. All the men are of much ability and all are true Kentucky orators but one, but he is a close neighbor geographically and a closer one forensically. Dummit, from Missouri, 'showed 'em' and did his part in winning. Dabney and Rice experienced little difficulty in defeating Georgetown, as they are both splendid speakers and logicians. Bischoff, of Louisville, is a splendid speaker.

A HEAVY BURDEN

A Bad Back Makes Life Miserable for Many Monett People.

A bad back is a heavy burden.

A burden at night when bedtime comes,

Just as bothersome in the morning. Ever try Doan's Kidney Pills for it?

Know they are for kidney backache—and for other kidney ills?

If you don't, some Monett people do.

Read a case of it:

Mrs. John Richards, 1008 Sixth St., Monett, says: "My kidneys were in bad shape. They acted too often and bladder troubles distressed me. I suffered with an ache in my back and seemed as if a heavy weight were tied to my kidneys. When I moved around, sat down or in any way bent or strained my back, a severe, cutting pain went through it. I often had rheumatic pains in my limbs. I was getting more tired and worn out all the time. I finally got Doan's Kidney Pills at Cox & Co.'s Drug Store and began using them. I was soon restored to good health."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Richards had. Foster-Milburn Co., Props., Buffalo, N. Y.
